

ONE TO ONE Invites YOU to *Come Read with Me*

Why *Come Read with Me*?

These pandemic times have been challenging for many parents and teachers. As a result, your child(ren) may benefit from extra support on their way to becoming confident, joyful readers. That's why we are offering *Come Read with Me* – a workshop designed to support *you* by equipping you with the knowledge, strategies, and inspiration you need to get reading with your kids. The session will focus on reading for meaning and reading for enjoyment.

We will be offering five virtual sessions over Zoom, on a first-come, first-served basis. To participate, simply follow one of the links at the bottom of this document to register and take part from the comfort of your own home. As parents you are your child's first and most important teacher.

About *Come Read with Me*

Come Read with Me is an interactive workshop facilitated by a ONE TO ONE educator, designed to give parents and caregivers the opportunity to learn positive reading strategies to support their children at home. *Come Read with Me* was developed by our partner, [Literacy in Kamloops](#), and has been running for 10 years, serving up to 1,000 families each year. There is no cost to participate, thanks to the generous support of our donors, and participants will receive a resource package including a handbook for parents called "Reading Success at Home".

While we welcome parents and caregivers with children of all ages, the workshop will include content that is best suited to students in the primary grades.

About ONE TO ONE

ONE TO ONE Literacy is a registered charity providing a unique one-on-one children's literacy program. We have been supporting readers in schools across British Columbia for over 30 years, providing support to elementary-aged students who would benefit from extra practice with their reading. The *Come Read with Me* workshop was developed by [Literacy in Kamloops](#), to empower parents as they read together with their children at home.
