***A West Coast Summer* by Caroline Woodward, illustrated by Carol Evans**

Join Caroline and Carol as they present their picture book *A West Coast Summer*, inspired by the carefree beauty of summer on the coast. Home-learners are welcome and a limited number of spaces are available for primary grade classes to attend. To book a space for your class, please email Nikky.

Volunteering at the Library

Youth ages 12 and older are invited to volunteer in the library on Fridays and Saturdays, and during school breaks. Volunteering is an excellent way to gain work experience and references, learn new skills, and give back to the community, while working with a great group of fellow volunteers of all ages.

Students can volunteer for a variety of tasks including shelving books, helping to pick YA books for the library collection, and assisting with kids programs.

If you are interested, please fill in the volunteer application form at the library information desk, or speak to Librarian Nikky McCarvill.

We are also currently accepting proposals for youth programs for Spring 2019 from adult volunteers, ages 18+.
