

Bridging Event for Gr. 5 Parents

Wednesday, Feb. 6
SIMS 6-8pm

**Transition event for all parents of Grade 5
students**

The parents of the Gr. 5 students are invited to an orientation and information meeting at our 'bridging' event on Feb. 6. The event is designed to 'bridge' the transition between elementary and middle school. Parents will be given a presentation about our programs and activities. As well, you will have the opportunity to ask any questions that you may have. We will have staff on hand from the two district programs housed at SIMS- Late French Immersion and MYSEEC (nature-based program) to inform parents about their programs. As well, we will showcase activities from our Band and choir program, our Tsunami Circus Program and our popular Exploratory program: Woodwork, Robotics, Music, Dance and Cooking.

The French Immersion team will host a 45 minute information meeting in the Library from 7:15-8pm.

Registration forms for all SIMS programs- French Immersion, MYSEEC and the regular academic program will be available at the event.
