

June 19, 2018

Friends :

We would like to invite you, your students and families to attend the annual Heritage Day Celebration on July 8, 2018 at The Farmer's Institute from 11 am to 3 pm. This free event allows us to Walk Back in Time with family and friends.

You will have the opportunity to watch antique equipment operating under the skilled hands of dedicated volunteers. This year we are pleased to announce that The Salt Spring Fire Department will display their Antique Fire Truck and explain its' history on our Island.

This fun-filled day features live music and many interesting displays. Families can bring their own picnic lunch or purchase delicious burgers made by the BBQ pros of The Farmer's Institute. Save some room for the delicious pie supplied by our local Women's Institute.

The Farmer's Heritage Foundation is pleased to announce the opening of the new media room at Bittancort Museum and encourage visitors to check out our new displays. "Today's technology has opened a window to our past!"

Please join us to celebrate Heritage Day.

Yours truly,

Mary Ann McColl

Director, Salt Spring Farmer's Heritage Foundation
