

ART MAKERS LAB

BRIONY PENN

THE NATURALIST'S SKETCHBOOK: THE SALISH SEA

For ages 6-13

Sat. January 25, February 1, 8 & 15

10-1pm at Mahon Hall

Local biologist, artist and environmentalist Briony Penn will lead four art making labs to guide youth in the art of sketchbook observation and documentation. Each youth will have a sketchbook to fill with their own drawings and observations of plants, animals and landscape. Final youth works will be shown at Against the Current: Orca + Salmon exhibit at Mahon Hall, Feb. 14-23.
